

*Take U Some Time \_ Power of balance cyberpunk-noise by TedFreemann*

*Power of balance, cyberpunk- noise, Free Album.*

*More than 12 Year's making circuit to circuit noise and good electronic music for you to rise from the apocalypse now. Mankind stand tall or fall.*

*Humanity shall be the Goal of Mankind, and it shall not be hack all Humans.*

*„We Humans should get use to the idea that we are no longer mysterious souls, we are now Hackable Animals“  
( Dr. Yuval Noha Harari).*

*Four Billion years Natural rules of life evolution is Veritas by Practices of Lifeforms, and should not be wiped away by Trans humanist & Human Elites, Governmental and Corporations in Power that playing Gods. Life is no Game with a reset button, not the Science Fiction Film with the heroic happy-ending , if we don't watch out we may get blast away, Time to wake up.  
Hacking in to some thing mostly will be interpret as Aggression by its systems and will lead to massively Fighting back to eliminate the Aggressor.*

*History will be Future and Future is catching up on us and Humanity dies only first the rest will follow.*

*World Economic Forum, Great Reset, Klaus Schwab , Trans humanists and Elites People push for use of AI, digital technologies, fourth Industrial Revolution.*

*Historian Prof. Dr. Yuval Noha Harari, points out the Danger of the Future with AI and the enormous computing power in Data collection and how this perhaps will Effectively change Human society.*

*More surveillance, collecting Data, for enormous computing power in data to systematical hack all humans , for how they call it the greatest revolution in History of humanity. That would give Elite People the power to re-engineering the future of life its self.*

*Power of Balance circuit to circuit noisetripper*

*Time to wake up, get a better world in Order and be „HUMAN“ !*
